

We would like to take this opportunity to share with the public why we will be voting for Rick Shipe for Steuben County Commissioner in the upcoming primary election. We have been friends with Rick since our high school years. In addition to that friendship, our children have grown up together and we have supported each other throughout our children's years of academics, sports, and 4-H. We respect Rick. We have witnessed how he thinks through issues before acting on any decisions he will make. He has shown this during his years on the County Council and I am sure he will use these same skills of honesty and integrity as a commissioner. Steuben County is a great place to live, work, raise a family, and own a business. Let's keep it that way moving forward. Steuben County isn't any different than other rural areas who are always facing pressure as it continues to grow. We believe Rick has the skill set, knowledge, and heart to lead Steuben County into the future. We will be voting for Rick Shipe in the upcoming primary election, and we urge you to do so as well. He is the right person for the job.
